Re: Strategic Planning Retreat

Dear States,

I just wanted to thank you for a great job with the retreat. We were still feeling tired Monday from the workout you put us through. We presented the plan to everyone that afternoon and while there were some puzzled looks, there seemed to be open acceptance of the mission and the committees. We are starting to prioritize and work out the details on scheduling the upcoming meetings. If nothing else, our time together really helped us start working as a team again.

By the way, we haven't received your bill yet. I'd say money well spent!

Thanks again!
